📍 কলকাতা 🕒 শেষ আপডেট: ০৮ জানুয়ারি ২০২৪ ১৮:০৬

রাজ্যে যুগ্মে বহরের প্রথম সপ্তাহে বিভিন্ন স্কুল এবং কলেজে উদ্বোধিত হচ্ছে 'স্টুডেন্টস উইক'। এই কর্মসূচি শুরু হয়েছে ২ জানুয়ারি, চলবে ৮ জানুয়ারি সোমবার পর্যন্ত। আর শেষ দিনেই 'স্টুডেন্টস উইক' পালনের কর্মসূচির মধ্যে দিয়ে বিশেষ নজর কাড়ল বেহালা কলেজ।

কলেজের পড়ুয়াদের সঙ্গে বিশেষ ভাবে সক্ষম পড়ুয়া এবং অ্যাসিস্টেড অ্যান্ডারস্ট্যান্ডিং শামিল হয়েছেন এই কর্মসূচিতে। তাঁরা নিজস্বের হাতে মূপকতি, অরগ্যানিক কসমেটিক, ব্যাগ এবং বিভিন্ন রকম রাসা করে এনেছেন। সেগুলি মোট ১০টি স্টল দিয়ে সজানো হয়েছে কলেজ প্রাঙ্গণ জুড়ে। অহম প্রদর্শনের মাধ্যমেই শেষ হয়েছে কলেজের 'স্টুডেন্টস উইক' কর্মসূচি। যেখানে একজন বিশেষ ভাবে সক্ষম ব্যক্তি তার পুঁজুক সেই, তিনি পা দিয়ে ছবি ঠিকেরেছেন।

শেষ দিন ছাড়াও বহরের প্রথম সপ্তাহে জুড়ে বেহালা কলেজে চলবে আরও অনুষ্ঠান। সরকারের ব্রে এক্সলুজিভ রয়েছে সেই বিষয়ে সচেতনতা বাড়াতে কাপ করা হয়েছে। ছাত্র ছাত্রীদের জন্য সাইকোলজিক্যাল কাউন্সেলিং এবং কেবিরার কাউন্সেলিং-এর আয়োজন করা হয়েছিল। পশাপাশি, পড়ুয়াদের অভিজ্ঞতাবাদের সঙ্গে অধ্যাপকরা কথা বলেছেন, যেখানে চাকরির বিভিন্ন সমস্যার বিষয়েও খোঁজ পেওয়া হয়েছে। 'স্টুডেন্টস উইক' কর্মসূচির মাধ্যমে কলেজ পড়ুয়া সেক্স ড্রাইভ সেক্স লাইক, সেক্স ওয়াটার লেগা প্রসারিত নিয়ে এলাকার বিভিন্ন জায়গায় গিয়েছিলেন।

এই বিষয়ে কলেজের অধ্যক্ষ শর্মিলা মিত্র জানিয়েছেন, সরকারের তরফ থেকে এখন উৎসাহে পড়ুয়ারা পাঠ্যক্রমের বাইরে জীবন খুঁজে পেয়েছেন। কারণ এখন পড়ুয়া সিলেবাসের বাইরে গিয়ে কিছু করার সময় পান না। তাই এই বহরের কর্মসূচি শিক্ষার্থীদের জন্য বিশেষভাবে কার্যকরী।

প্রসঙ্গত, নতুন বহরে শিক্ষার মান উন্নয়নের স্বার্থে এবং শিক্ষার্থীদের সুস্থিত জীবনযাত্রা লক্ষ্যে রাজ্য শিক্ষা বহরতরের তরফে 'স্টুডেন্টস উইক'-এর উদ্বোধন। সেই মতো রাজ্য জুড়ে সরকারি স্কুল এবং কলেজগুলিতে বহরের প্রথম সপ্তাহে পালিত হচ্ছে 'স্টুডেন্টস উইক'। এই প্রচেষ্টার মাধ্যমেই শিক্ষার্থীদের নতুন বহরের স্তম্ভে কার্যকরী পরিচয়ন মুখ্যমন্ত্রী মমতা বন্দোপাধ্যায়।

FOCUS BEYOND CONVENTIONAL COURSES

Career counselling for college students

JHINUK MAZUMDAR

Calcutta: A bachelor's degree might not be enough to get a job but there are newer avenues outside conventional careers that have opened up, a group of college students were told during a career counselling session. Over 300 students of Behala College learnt about career opportunities in data science, e-commerce and cyber law that many students were not aware of.

"While the Covid pandemic was devastating in many ways, we have seen that new career opportunities in e-commerce, cyber security, use of graphics in social media or mental health wellness have also emerged," said Sabir Ahamed, a convener of the campaign Know Your Neighbour. The session was held as part of the campaign last week.

Know Your Neighbour is a campaign that aims to promote increased interactions between different communities for communal amity. The campaign has a youth mentoring programme and the counselling session was conducted as part of that. The sessions are being conducted in three colleges — Behala College, Sarsuna College and Kanyashree College — where many students do not get that guidance at home and lack the social contacts that would give them a start.

Many of them are first or second-generation learners. On Wednesday the students were also told about several government schemes.

Ahamed said that there are instances of students

Students of Behala College attend the counselling session last week

not getting scheme benefits either because their bank account is dormant or their KYC details are not updated. An interface was organised between government officials and the students.

"We wanted students to know about the schemes that are available to them and we in turn would want them to be trainers so that they can conduct awareness programmes," said P.B. Salim, secretary in the chief minister's office.

"The government has several schemes but the poorer and the remote may not be aware of them," Salim said. The sessions in the colleges are part of Students' Week, a state government initiative across schools, colleges and universities.

The week is being observed from January 2 to 8 to welcome students to the new class and to familiarise them with state government

schemes that could benefit them.

The students were told to match their subject expertise with their interests.

"If they are studying geography they should be able to connect it with the world around them. In today's world, there are ample opportunities to do so and technology is an enabler," said Nandita Roy, assistant professor at the Indian Institute of Management Calcutta.

Students have to go beyond what is mandated by their syllabus and that will give them an edge in the job market, said Roy.

"The college is undertaking various programs following the directives of the higher education department for the benefit of the students. We have to enlighten the students, empower them and make them industry-ready," said Sharmila Mitra, principal of Behala College.

DISTINGUISHED VISITORS

Foreword from the Principal Desk

It is indeed a proud moment for us to inform that, Behala College stands to be the only college under University of Calcutta to be awarded ‘A++’ **Grade** from National Assessment and Accreditation Council (NAAC) while we are celebrating Institutions’ Diamond Jubilee Year. In addition to the accreditation, Behala College is now among **best 20 Highest ranking Educational Institutions** of the country.

I feel ever elated to say that, it’s been our ‘Man-making’ vow that has made us successful. The vow as we follow, being laid down by Swami Vivekananda make us such strong humans who can dare to think and believe that only sky can be the limit.

Behala College is more a *Gurukula*, than a formal Institution , where teachers are always involved in empowering the insight of students. Without the fear of hesitation, it can be stated that Behala College is now the name for a separate Education Model with vast repository of young minds following a particular path.

With 21 Undergraduate and 4 Post-Graduate Courses the academic programmes conducted by the Institution are oriented in the way of skills-intensive and technology based. With National Education Policy being implemented, Behala College has shaped the training of each student through Intensive Guidance Programme, Advanced Bridge Course and Add-on courses that includes the areas of training through Language Lab, Photography Course, Yoga-Gymnasium Unit. In addition, the College also provides certificate courses in Drone-Pilot Training, Travel and Tourism and Handi-craft. Self Defence Training for Girl students has been the best practice since 2015 that the College cherishes.

The landscaped greenery of the Institution adds an ambience of energy and effective teaching-learning, that holds strong in assemblance with the Behala College Knowledge Hub (library) which shares its pride to be a state-of-art establishment. Above all, Behala College is one of such Institution who assembles Industry for the students under its Entry-In-Service venture. Thus a complete and defined career cycle takes life which truly manifests when we see our vibrant alumni working for the Nation and World. The College has have a strong cultural wing which is extended to functioning of Rabindra Anushilan Kendra and Value Added Course accomplishment through the activity of Vivekananda Study Circle.

I, hereby ascertain all of you a wonderful life ahead in the family of Behala College where you would realize a new self, struggling for emancipation to make an identity for the Nation.

Message from IQAC Co-ordinator

On behalf of the Internal Quality Assurance Cell, I welcome you all to the Behala College family. As you embark on a new and exciting journey, let me tell you that you have chosen a college that has bagged the prestigious A++ grade from the National Assessment and Accreditation Council very recently. We are also observing the 60th year of the foundation of Behala College. As you step inside the institution, from the very first day, you must remember to work hard and take every challenge as an opportunity to prove your worth. The curriculum that is being implemented now is called the Curriculum and Credit Framework (CCF) under University of Calcutta imbibing the features of NEP (National Education Policy).

Behala College lays stress on outcome-based education, which is the need of the hour. The college places emphasis on sports, arts, cultural activities and specially on skill-based learning to develop your talents. Alongside studies you can certainly enroll for Add-on courses in Drone-Pilot Training, Travel and Tourism, Handicrafts, Photography, Web Designing and many more. It also tries to support you in your endeavours in competitive examination through able guidance and placement support provided by our Career Counselling and Placement Cell. Internship programmes are arranged for grooming students for today's job market. Guidance is provided for those aspiring for higher education.

In this age of online-learning, our college equips you with study materials and video learning resources which can be accessed via e-Shikshak available in the college website. You also will avail the campus's smart library facilities where you can get additional educational resources from N-LIST and NDL other than usual sit, read and borrow books. Interested and passionate young minds can join the NCC and NSS units of Behala College and other social service schemes.

At Internal Quality Assurance Cell (IQAC), we always aim at realization of quality initiatives on teaching-learning and create an environment which will ensure your holistic development and help you achieve your dreams. We are here to help and guide you at each step you need us. The spirit and passion of young minds coming to our college for quality education drive us in our activities. So, we wish you all the very best as you start your journey here! Together, we are sure to scale new heights.

Behala College

At Behala College, established as Grants-in-aid State Government sponsored College in the year 1963, affiliated to University of Calcutta, under the Refugee Rehabilitation Scheme of the Government of India offer both Under-graduate and Post-graduate education. Behala College subscribes to technology based advanced learning model of education. Set in state-of-the-art and creative learning spaces, the approach unleashes innovative and entrepreneurial thinking and prepares students for the careers of today and tomorrow.

Model of Learning

At Behala College, the teaching process is a blend of theory and hands-on training that provides a experience of work with employers to give the opportunity to learn in real-world settings. The model of education is made up of four tenets:

- 1) Technology based education
- 2) Experiential teaching methods evaluated on competency based outcomes
- 3) Ties with industry and
- 4) Applied research that aims to solve problems faced by industry that provides students with work integrated learning.

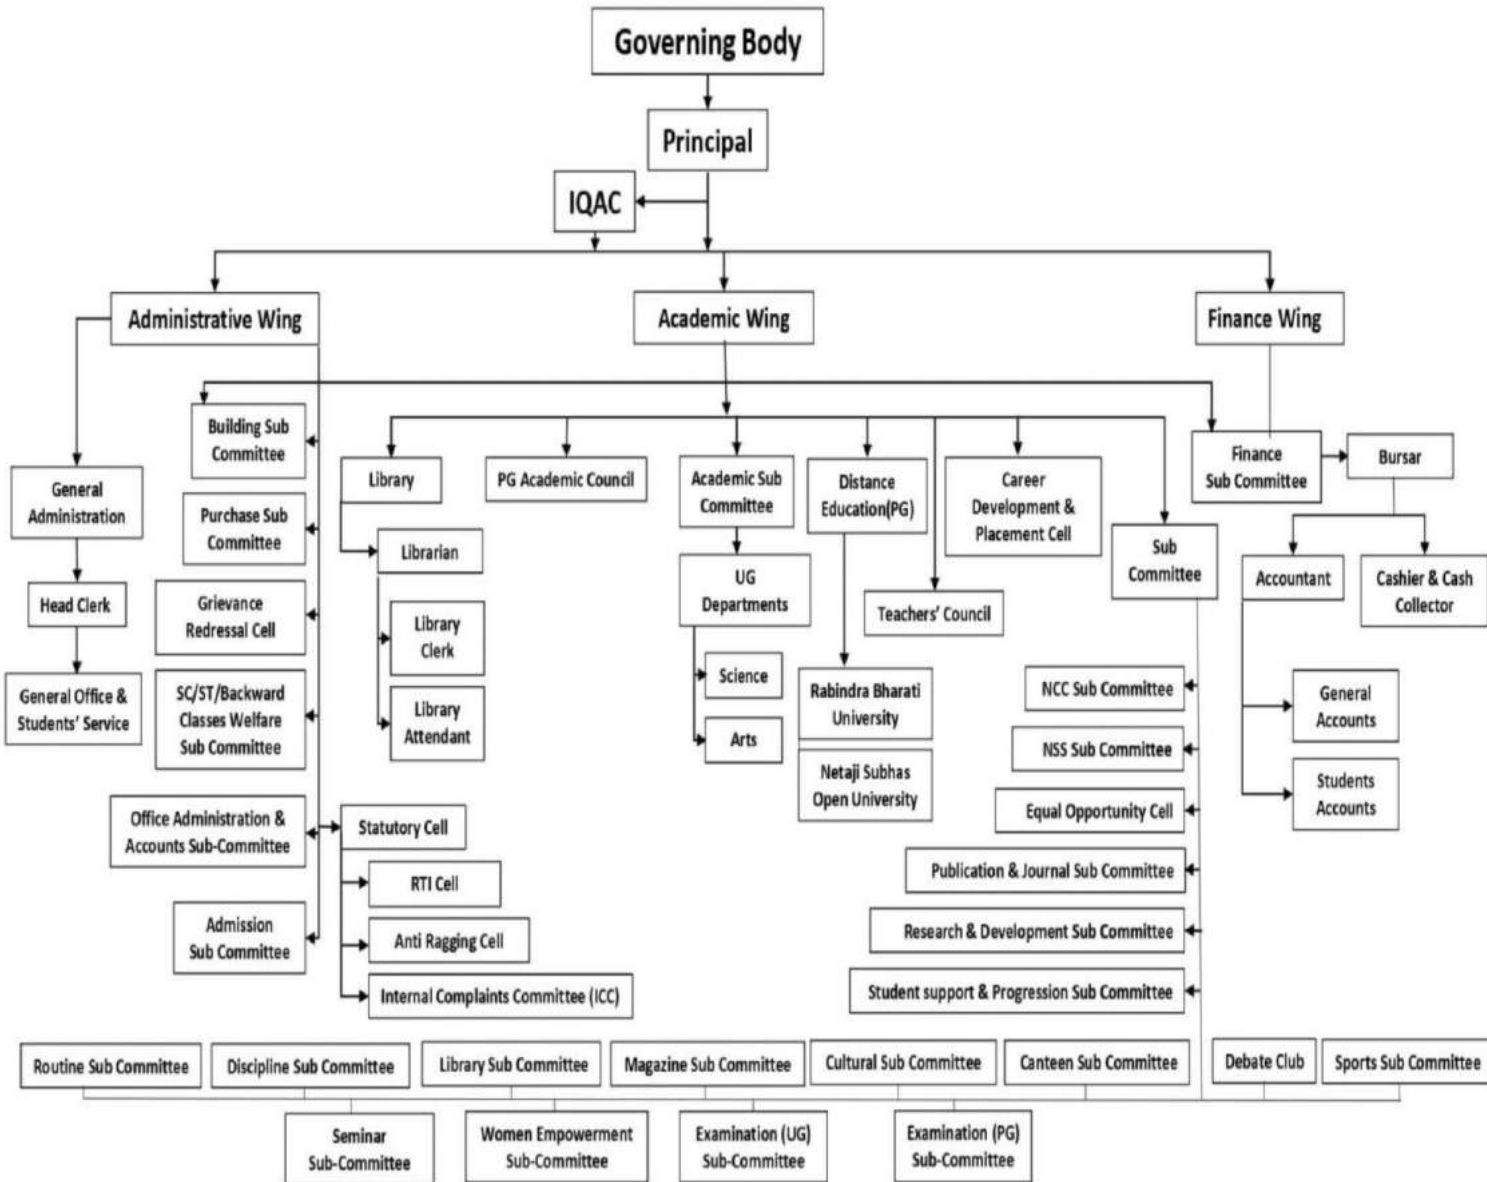

The tenets are governed by managerial and leadership skills that a student learns through activity schedule of the College. With technology rapidly advancing, Behala College model of education is sure to chart a sure path to ones career and keep one connected to the changing trends.

Getting Started

At Behala College it's the recognition that, **not** everyone who comes, is looking for exactly the same thing, so the Institute has advanced indeploying a guidance programme (Mentor-Mentee) to help students identify obstacles and solve at the earliest. The model programme has proved itself in building confidence and encouraging will-power that one may need to get started. It's the guidance that includes how to determine the Course that would shape the future world. The Advanced Bridge Courses, Add-On Courses, Certificate Courses confirms the robust Academic Hub foundation of the College. Under the existence of Skill Hub, like Photography Club, the Institution offers training on Drone Pilot , Hand-Craft Training, Travel and Tourism, Self-Defence for Girl students, and more is establishing its pace with constant shift in the field of Academics and Employment Opportunities. to infiltrate the behaviour of Quest and Exploration.

Behala College Library came into the existence within 2/3 months of foundation of the college. In the first financial year (1963-64) only 196 books were purchased.

Now the College Library is open-access with a collection of more than 30000 books. All the documentary resources are classified and catalogued by using standard schedules. The Library is automated, with KOHA, the Library automation software. The Library organizes various programmes along with various events and activities to increase the Library use. **The Best Library Users** are awarded on Library Day. The Library publishes a biannual Library magazine named 'Knowledge Bee'. The Library organizes subject wise Library orientation programme to give an idea about Library know-how for the new students. In addition to the Central Library, every department has a Departmental Library, with the aim of providing easy access of books.

Library has introduced '**Books-at-door-step**' service for reaching the users with their requirement during pandemic.
